INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. § 1.56, Applicant submits herewith patents, publications or other information of which they are aware, listed on form PTO-1449, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose. Legible copies of all items listed on form PTO-1449 accompany this information disclosure statement.

The person signing below certifies that each item of information contained in the present Information Disclosure Statement was first cited in a foreign application corresponding to the present application not more than three months prior to the filing of the present statement.

The present invention defines a specific state remote reading device which is not believed to be disclosed by the enclosed references.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

It is respectfully requested that the Examiner indicate consideration of the cited references by returning a copy of the attached form PTO-1449 with initials or other appropriate marks.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450, on January 13, 2006:

Respectfully submitted,
